<sup>1</sup> For the purpose of this policy, Afreximbank will be guided by the IFC exclusion list.

<sup>2</sup> This does not apply to the purchase of medical equipment, quality control (measurement) equipment where Afreximbank considers the radioactive source to be trivial and / or adequately shielded.

<sup>3</sup> Ozone depleting substances: Chemical compounds, which react with and delete stratospheric ozone, resulting in "holes in the ozone layer". The Montreal Protocol lists ODSs and their target reduction and phase out dates.

- Production or activities that impinge on the lands owned, or claimed under adjudication, by indigenous peoples, without full documented contest of such people.
